PCM Deep Dive

A 2-day immersive journey into PCM

July 7th & 8th 2025 in Bucharest, Romania

PCM Deep Dive

- Take advantage of this immersive opportunity to join a select group to study and practice with **PCM Chief Master Trainer, [Mickael Dufourneaud](#)** as he hosts a Masterclass for advanced PCM trainers and coaches.
- This is what you've been waiting for, your chance to take your PCM Training and Coaching to the next level. Practice with peers to strengthen your PCM. With new research videos, new interactions, this is the perfect way to elevate your skillset!
- Join us on **July 7 and 8, 2025**
- **Prerequisite:** Must be a PCM Certified Trainer or Coach, with PCM Practice, knowledge of the Child Development Stages and have awareness of Taibi's new articles (available on demand).
- **Pricing:** 1000€ excluding VAT – 1200€ TTC
 - lunches & coffee breaks included.
- [HERE](#) is the form to register – *limited to 12 participants*
- Continue your PCM journey with the [PCM Conference](#) on July 10 & 11.

Program Day #1

Morning inclusion

- Warm up exercise and pcm practice : **Embodying the 6 perceptions.**
- Refresh and push forward Interactions “**Perceptions and Channels offers**”.
- Exercises with the new training kit to improve our standards as trainers and coaches

Afternoon in Practice

- Review Dr. Taibi Kahler's final subtle theoretical adjustments to PCM concepts with his last Article “*Human Development and Personality Structure*”.
- Review and discuss concepts from PCM’s book, *PCM in Interaction* written by [Mickaël Dufourneaud](#) and [Dean Hefta](#).
- Peer-to-peer practice: talking to the Base to offer Phase Need

Dinner Time*

- A dinner together to connect and share stories. **not included in the price*

Program Day #2

Morning in Immersion

- Update on PCM Research: Presentation of the scientific article to be published on Perceptions and on the emotional response during the activation of Drivers – this study is in progress.
- Use the new pedagogical Videos to enhance our presentation, knowledge and understanding key pcm tools like Perceptions, Drivers, Patterns and Issues.

Afternoon in Relationships

- Communication without myth and managing relationships.
- Inviting out of the Masks: recognizing and inviting others out of distress with real case situations for our clients.
- Peer-to-peer practice: talking to the Base to offer Phase Need.

Practice with experts and receive benevolent feedback from peers to improve you PCM skills.

Stay connected!
